

House Resolution No. 4567

Whereas, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state and its citizens; and

Whereas, the members now pause to recognize Dr. Fred Uthoff, of Sikeston, Missouri, who is the Medical Director of Preferred Hospice; and

Whereas, coincident with National Hospice Month, November 2008, Dr. Uthoff will be honored for his selfless efforts to provide physical, psychological, and spiritual assistance to terminally ill patients and their families; and

Whereas, Preferred Hospice is a Missouri-based company comprised of a multi-disciplinary team of healthcare workers who specialize in end-of-life care, and among the senior team are physician and nurses who together bring decades of healthcare experience; and

Whereas, serving southeast Missouri, Preferred Hospice's mission is to have a positive impact on the lives of those they serve, to inspire through example, and to encourage celebration of life:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to extend our most sincere gratitude to Dr. Uthoff for the invaluable service he provides to the citizens of this great state, with our very best wishes for continued success; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Dr. Fred Uthoff.
